TAIWAN-JAPAN International Symposium on Display Holography -- HODIC in TAIWAN2

The purpose of this symposium is to exchange information between Japan and Taiwan research and art peoples and to improve friendship each other.

Date: December 8(Monday) and 9(Tuesday), 2008

Place: National Taiwan Normal University (Gongguan campus), Taipei, TAIWAN

Symposium Title

TAIWAN-JAPAN International Symposium on Display Holography -- HODIC in TAIWAN2

Organized by

National Taiwan Normal University/Institute of Electro-Optical Science and Technology http://www.ieo.ntnu.edu.tw/

Holographic Display Artists and Engineers Club http://www.hodic.org/

Date	Program	Presider
12/8	9:30 --- 9:45 Opening remark - Prof. Yih-Shun Gou President, National Taiwan Normal University 9:45 --- 10:00 -Introduction of Holographic Display Artists & Engineers Club Jumpei Tsujiuchi, Professor emeritus in Tokyo Institute of Technology (Technical session1) 10:00 --- 10:30 -Studies on Holographic Video and Fringe Printer Hiroshi Yoshikawa, Professor , Nihon University 10:30 --- 11:00 -Digital holography: principles and applications Chau-Jern Cheng, Professor, Institute of Electro-Optical Science and Technology, National Taiwan Normal University 11:00 --- 11:30 -Realistic full-parallax image reproduction with holographic 3D printer Masahiro Yamaguchi, Associate Professor, Tokyo Institute of Technology 11:30 --- 12:00 -Introduction to disk-type multiplex holography- Yih-Shyang Cheng, Professor, Department of Optics and Photonics, National Central University Lunch 14:00 --- 14:30 -Novel Lippmann Holograms and Computer Generated Holograms for Security Applications Kenji Ueda, Dai Nippon Printing Co., LTD 14:30 --- 15:00 - Photopolyer material for display hologram- Shiuan-Huei Lin, Associate Professor, Department of Electrophysics, National Chiao Tung University Tea Break (Art Session) 15:30 --- 16:00 -Artistic Representation with Holography Setsuko Ishii, Professor, Tokyo Institute of Technology 16:00 --- 16:30 - Holography application in installation and public art Shu-Min Lin, Guest Professor, National Taiwan Normal University 16:30 --- 17:00 -About recent my holography art works Yumiko Shiozaki, Independent artist 17:00 --- 17:30 - Holographic Visual Design in Taiwan Ya-Ling Huang, Dean, College of Creative Media, Kun Shan University 18:30 --- 20:30 Reception	Chien-Jang Wu Chau-Jern Cheng Hiroshi Yoshikawa Yih-Shyang Cheng Masahiro Yamaguchi Shiuan-Huei Lin Kenji Ueda Shu-Min Lin Setsuko Ishii Ya-Ling Huang Yumiko Shiozaki
12/9	(Technical Session2) 10:00 --- 10:30 -Diffractive Security Devices Toshiki Toda, Toppan Printing Co.,LTD 10:30 --- 11:00 -Content-related design and value-added application for dot matrix hologram Hsi-Chun Wang, Chairman, Department of Graphic Arts Communication, National Taiwan Normal University 11:00 --- 11:15 Closing remark (Hiroshi Yoshikawa, Professor, Nihon university, President of HODIC) Lunch 13:00 --- 15:00 Lab. Tour of NTNU 17:00 --- Banquet	Hsi-Chun Wang Toshiki Toda Chau-Jern Cheng

Conference Language

*English (using Power point)

General Chairman: Prof. Chau-Jern Cheng, Institute of Electro-Optical Science and Technology, National Taiwan Normal University

Cochairman: Dr.Fujio Iwata, Former President of HODIC
